01 How the marketing portal works

portal.ringoandcrew.com

Film the job, upload it, approve the post. Ringo does the rest.

1. **You upload**
   Photos or short clips from today's job, from your phone.
2. **Ringo writes the posts**
   A caption for each network: Facebook, Instagram, TikTok, YouTube and Google Business.
3. **You approve**
   Edit anything you like, then tap Approve, or Skip.
4. **It publishes**
   To your own accounts. Nothing posts without your OK.
5. **You get a monthly report**
   Posts, views, calls Ringo answered and jobs booked.

02 Sign in

Email code, no passwords

1. **Open portal.ringoandcrew.com**
   On your phone, add it to your home screen for one-tap access.

2. **Type your email → Email me a code**
   Enter the 6-digit code. Five wrong codes lock sign-in for 15 minutes.

03 Connect your accounts

My accounts

1 **Open My accounts**

See which networks are connected.

2 **Press Connect**

Sign in to each network and allow posting. Your accounts stay in your name.

> We set up your social accounts and Google Business Profile as part of your setup if you don't have them yet.

04 Upload, review and approve

Your weekly routine: 5 minutes

1. **Upload**
   Tap Upload and pick photos or clips. Good light, before-and-after shots and short clips (under a minute) work best.

2. **Review & approve**
   Each upload has a drafted post for each network. Edit the words if you like.

3. **Approve or Skip**
   Approved posts go out to your connected accounts.

Your allowance: Marketing Crew includes 60 AI-captioned uploads a month. Need more? Extra packs of 50 are $10.

Only upload photos you have the right to use, and get permission before showing customers' faces or homes.

05 Your monthly report

What's working

On the 1st of each month: how many posts went out, how many people saw them, the calls Ringo answered and the jobs Ringo booked. We may suggest boosting your best posts as ads in your ZIP codes, using your own ad budget.

We're here to help.
